## MESSAGE FROM CHAIRMAN

As we reflect upon the journey of this past year, my heart is filled with immense pride and gratitude. The year 2024 has been a beacon of progress and innovation for MI College, illuminating the path forward with new milestones and shared accomplishments.

One of the most profound moments for us was the celebration of our 10th anniversary—a decade of dedication to educational excellence and community growth. Marking this significant milestone, we inaugurated the Student Happiness Centre, Ufaa, a sanctuary designed to support our students' well-being through comprehensive services, counseling, and guidance. Ufaa stands as a testament to our unwavering commitment to nurturing not just academic success but also the holistic development of our students.

This year also witnessed the spirited triumph of our MI College Futsal team, who clinched victory at the MNUSU Futsal Fiesta. Bringing the trophy back to MI College for the second time, they have exemplified teamwork, dedication, and the relentless pursuit of excellence that defines our institution.

I am deeply grateful to Rector Ms. Lamya A. Hadhee for her dedication and teamwork in striving for the betterment of the college. I also extend my heartfelt gratitude to all members of Mianz's team for their continuous support of the college. The campus managers play a pivotal role as part of MI College; they are the captains of MI College's flagship. Their contributions to MI College and the islands will always be remembered and appreciated.

Our collective achievements are not confined to these events alone. They are woven into every lecture hall discussion, every collaborative project, and every moment of personal growth experienced by our students and faculty alike. MI College continues to be a place where aspirations are nurtured, and potentials are realized.

To our graduates, you embody the spirit and values of MI College. As you step into new chapters of your lives, carry with you the lessons learned and the resilience forged during your time here. Remember that education is a lifelong journey, and your contributions will shape not only your future but the future of our nation.

Looking ahead, we remain steadfast in our mission to push boundaries and explore new horizons. We are committed to fostering an environment that encourages innovation, embraces diversity, and cultivates a passion for learning.

Thank you, dear students, faculty, and staff, for your unwavering dedication and for making this year extraordinary. Together, we will continue to build upon our legacy, striving towards a future filled with promise and purpose.

MI College is your college, and MI College is Qaumattakaa!  
We are, because you are. Ubuntu!

Ahmed Mottaki  
Founder, Chairman  
Mianz International College

## MESSAGE FROM RECTOR

Dear Students, Faculty, and Members of the MI College Community,

As we conclude another vibrant academic year at MI College, I am filled with immense pride reflecting on the achievements and growth we have witnessed. This year has been a testament to the unwavering spirit of our entire MI College community, a testament to the dedication and passion that defines each and every one of us.

It is truly inspiring to witness the energy and enthusiasm with which our students approach their academic pursuits. Their commitment to learning, coupled with their active participation in college life, creates the vibrant atmosphere that is the hallmark of MI College.

Our esteemed faculty continue to inspire and challenge our students,

fostering a dynamic learning environment that encourages critical thinking and intellectual curiosity. Their expertise and dedication are invaluable to our institution and play a crucial role in shaping the leaders of tomorrow.

I am also deeply appreciative of the unwavering support provided by our dedicated staff. Their tireless efforts behind the scenes ensure the smooth functioning of our college and contribute significantly to the overall student experience. I extend my deepest gratitude to our Chairman Mr. Ahmed Mottaki, whose steadfast guidance and visionary leadership have been instrumental in keeping us focused on achieving our strategic goals.

Amongst this year's highlights, I would be remiss not to mention the launch of our Student Happiness Centre, "Ufaa." This initiative provides a dedicated space for students to seek guidance and support, ensuring their well-being as they navigate their academic journey. Furthermore, our students continue to excel in extracurricular activities, with our Futsal team's recent victory at the MNUSU Futsal Fiesta serving as a testament to their talent and dedication.

To our graduates, as you step out into the world, remember the lessons you have learned and the friendships you have forged at MI College. Embrace the challenges that lie ahead with confidence and determination, knowing that you are well-equipped to make a positive impact on the world.

I extend my sincere gratitude to our Chairman, Mr. Ahmed Mottaki, for his visionary leadership and unwavering support. My appreciation also goes to our dedicated branch managers, whose leadership and commitment are essential to the success of our college.

As we look to the future, I am filled with optimism and excitement for what lies ahead. Let us continue to work together, fostering a culture of innovation and excellence, ensuring that MI College remains a leading institution of higher learning in the archipelago.

Wishing you all a successful and fulfilling year ahead.

Lamyah Abdul Hadee

Rector

Mianz International College

# COLLEGE PROFILE

MI College, originally known as IIPD, began its journey on July 20, 2006, with the guiding principle of "Inspiring Excellence." Initially established as the International Centre for Career Development (ICCD), it started modestly with 19 students, two classrooms, a single faculty member, and two part-time lecturers. The institution received approval from the Maldives Qualifications Authority (MQA) to offer Cambridge International Diploma courses in Business and English Language, marking the beginning of its growth.

As student enrollment increased, ICCD expanded and rebranded in 2009 as the International Institute for Professional Development (IIPD) under Mianz Pvt. Ltd. This rebranding was a significant milestone, reflecting its evolving mission to transform lives through innovation, social responsibility, and a commitment to critical thinking. During this period, IIPD became a franchise partner of Aptech Computer Education, India's largest training company, leading to the opening of a new campus in Male' City for Information Technology Education.

Between 2009 and 2014, IIPD experienced significant growth in its infrastructure, course offerings, and student numbers, extending its presence to more islands. The institution's transformation into a full-fledged college was driven by its Senior Management Team, led by Chairman Mr. Mottaki and Principal Mr. Nizam. On April 21, 2014, with approval from the Ministry of Higher Education, Mianz International College (MI College) was officially established, with Dr. Aamaal Ali appointed as its first Rector.

Today, MI College operates 12 campuses across the Maldives, serving over 2,300 students with the support of more than 100 staff members. The college continues to grow, maintaining its focus on increasing access to quality higher education. Its virtual platform has been a game-changer, overcoming the geographical challenges of the Maldives by allowing students from remote islands to participate in classes, thereby expanding educational opportunities.

With a strong commitment to its mission, MI College empowers the next generation by providing accessible, future-ready education that inspires excellence and transforms lives. Through continuous innovation and dedication to student success, the institution remains a key contributor to the educational development of the Maldives.

## **VISION**

We will be a first choice college, inspiring excellence and transforming lives, through organization and innovation. We will be a learning, socially responsible community, engaging our students in thinking critically and acting purposefully.

## **MISSION**

To collaboratively prepare socially conscious planners, organisers and critical thinkers who act with purpose, innovate and excel.

## **CORE VALUES**

ORGANIZATION

LONG TERM PLANNING

ANALYSIS AND EVALUATION

INNOVATION

EXCELLENCE

## NATIONAL PRESENCE

## CAMPUS AND OUTREACH CENTRES

At MI College, we integrate a rich curriculum with practical, socially impactful, and eco-conscious activities, offering students a unique learning experience. This holistic approach prepares them for their next steps—whether in education, career, or personal growth—while ensuring accessible, high-quality higher education beyond the capital city. Our network spans 12 fully equipped campuses across 11 atolls and nine outreach centers in eight atolls, offering programs from Certificate III to Master's degrees.

Committed to fostering excellence, MI College aims to positively transform lives through its extensive presence across the Maldives. Our Head Office, situated in the heart of Male' at Maafannu Niyadhurumaage, features spacious, well-equipped classrooms that provide an ideal learning environment. Backed by an exceptional team of deans and lecturers, we strive to create a welcoming and supportive space where every student can thrive.

### Hulhumale' Campus

MI College Hulhumale' campus, inaugurated on June 1, 2015, began with a modest number of students. Since then, the campus has experienced remarkable growth. By the end of 2023, it had over 200 students enrolled in a diverse range of programs, spanning from Certificate III to master's levels across four faculties.

## **HDh. Kulhudhuffushi Campus**

Located in the City of Kulhudhuffushi, the capital of Haa Dhaal Atoll, the campus provides programs ranging from certificate to master's level, with a focus on education and business. Starting with just 50 students, it has grown to serve over 200 students, reflecting consistent annual growth in enrollment.

## **Sh. Milandhoo Campus**

Sh. Milandhoo, an island in the Southern Atoll, has seen significant progress in recent years. Established in 2015 with just 50 students, the Outreach Centre has grown rapidly, now serving over 100 students across programs ranging from Certificate Level 1 to Master's degrees.

## **N. Holhudhoo Campus**

N. Holhudhoo, a thriving island in the Southern Atoll, has seen significant progress in recent years. Established in 2015 with just 50 students, the Outreach Centre has grown rapidly, now serving over 100 students across programs ranging from Certificate Level 1 to Master's degrees. This growth has allowed the center to provide advanced educational opportunities to the entire Noonu Atoll.

## **R. Dhuvaafaru Campus**

Located in R. Dhuvaafaru, the campus was officially opened in September 2024 after relocating from Meedhoo within the same atoll. It now serves nearly 50 students enrolled in various programs.

## **Lh. Hinnavaru Campus**

Lh. Hinnavaru Outreach Centre was established in March 2019, with over forty studying in several courses.

## **Dh. Kudahuvadhoo Campus**

The Dh. Kudahuvadhoo Campus opened its doors on November 1, 2015

## **L. Gan Campus**

Established in 2012, the Campus in L. Gan was the first Campus established outside Male'. Gan campus now serves over 100 students, offering specialized programs in Business, Education, and Information Technology.

## **GA. Villingili Campus**

The MI College Ga. Villingili Campus currently hosts 150 students enrolled in programs at various levels, focusing on Education, Business, and Information Technology.

## **GDh. Thinadhoo Campus**

The Thinadhoo Campus, located in the City of Thinadhoo, serves over 100 students through its diverse range of courses. Established in January 2015, it has gained a strong reputation among the island's residents.

## **Addu Campus**

Established in 2014 at Addu City, the Addu Campus has grown to host around 150 students, offering a wide range of courses from certificate to master's level in Business, Education, and Information Technology. The Addu Campus is also home to the MI College School of Agriculture.
